News Bits:

Dan Pensula won the 50/50 drawing for half of the \$46 pot at the meeting last Monday night.

The fishing derby happened on Sat. June 10th with 30 kids showing up for the event. Lots of great prizes were handed out.

Here is a happy girl with a big fish (see photo) we hooked up with and she landed about 1 minute before the buzzer on Saturday. Thanks for all those who worked to get

the fish in the lake and get the weeds cleaned up enough so that the derby happened and there were a lot of excited kids. Please pass on my thanks to the others that were out there. The fish measured out at 39.5 cm but wasn't big enough to get her in the top 4 in the 1-5 age group. We were still happy though. This is my youngest, Claire. In case you haven't heard, Rick Brzozowski and I got "railroaded" at the last Board meeting. Rick is now a Director, taking over the spot Scott Warren was unable to continue with. With the passing of Past President Duane Fluent, I am now the past Vice President. Sheesh!!

Good of the Order:

Jim Jones has a box of .30-40 Krag with 180 gr power point bullets to give away. Someone in Eburg wanted it last year but Jim went south and they never connected. Jim = jbjones78@gmail.com
