

CASCADE FIELD & STREAM CLUB

Po box 424, Cle Elum, Wa. 98922
www.cascadefieldandstream.com

The monthly club meeting was well attended and we had a guest speaker, namely Emmalee Sargent who won the Duane Fluent Memorial Scholarship of \$1000 provided by our club. She is a very bright young woman with a promising career in teaching and service.

In case you haven't noticed we have a whole new set of large fire extinguishers mounted in the buildings. New club member Victor Servin donated them through his business, Emerald, Inc. We thank him very much for his generosity. If anyone has fire protection needs consider giving him a call. ➡

NFA Sunday was a great hit with lots of participation and lots of shooting. Brad posted some great photos on Facebook. I will try to get some onto the website.

A question came up about the potential closure of the WDFW Naches Hatchery in Yakima County. This hatchery provides fish for most of the Central part of the State, including Lavender Lake where we hold our annual Kids Fishing Derby. For more info type Naches Hatchery into your search engine and there are several articles on the subject. Contact your local legislators - this will come up in the next legislative session in January 2010.

General membership meetings are:

First Monday, 7 pm, Sunset Café

Board mtgs are third Monday at 6.

suppressed 12 ga

The Board has been busy discussing such fun things as insurance coverage, weed and fire control, finishing the final report for the conditional use permit, finishing a noise study for the trap range, and resolving vandalism and littering at the range. VP Eric, RSO Doug, and Mike Cox are working on some ideas for a solar-powered camera/surveillance system along with the lighting for the new multi-purpose building. Stay tuned.

In the mean-time, if you see something, do or say something. Take a photo, license plate, report to a board member. If there is an unsafe situation hit the Cease Fire button and address it before someone gets hurt.

We're still looking for volunteers to be on the banquet committee. We have four and it will take at least 8 or 10. We are committed and have already reserved a date (Feb. 29, 2020) with the Senior Center and paid a down-payment. This committee needs to start meeting and planning. Separately, we need some people to step up for the annual raffle committee to pick four raffle prizes and arrange for raffle tickets and posters. We have many years of experience and a good set of plans for both so it will be a snap for whoever takes this on.

We got a new knock-down target stand put at the pistol range and the old one is being repaired by club member Jed Howard.

If interested in purchasing a semi-auto rifle under the new laws you have to take a certified training class. The link below is great - the class takes only a few minutes and provides a printable certificate:
