## Upcoming Events

**Banquet set for Feb. 24, 2018**

**News:** The general membership meeting was held Monday at the Sunset and was well attended. VP Larry was gone visiting China with his wife, and Secy. Cindy was out on Cataract surgery leave. I couldn't get anyone interested in taking minutes so, as usual, I got stuck with it. Result - not much news. Steve Zabransky won the 50/50 drawing, again. Big pot for the banquet = \$375

Range news is a little slim right now. We did have a snag on the building permit for the pistol sheds. Apparently, at least in Kittitas county, they have to be tied down. So we are working with the county on what is required. Also, Mark reports a lot of moisture inside the pistol sheds - please watch your step if it freezes. We will try to figure out a solution - any ideas?

The safety baffle committee will be at the rifle range off and on trying to complete that project. Hope the ground freezes. Also, new sliding doors for pistol shed have been built by Doug Sargent and will be installed soon.

If you have not, sign a hold harmless form and send in!!!!

**News Bits:** -Raffle tickets are available at: Reliable Auto, Mike's Tavern, Glondo's Sausage, 3 Forks Ammo, Owens' Meats, Carek's Meats, CE Hardware, CE Farm & Home, Grizzly Safe Co, Kittitas County Trading, Troutwater Fly Shop, or by ordering via mail - send checks (\$5 each) to CF&S Club, PO Box 424, Cle Elum 98922.

-Not sure what to pass on about the "Mandatory Orientation" or when it will be implemented. Will be discussed further at Board meeting Dec. 18th. Also at Board meeting, Vulcan, Inc. will give us a presentation on their plan to record the sound of shots from various calibers in an effort to help control elephant poaching in Africa. All members welcome. Members will be asked to do the shooting, Vulcan will pay for ammo.
