### UPCOMING EVENTS:

**General membership meetings are the first Monday, 7 pm, Sunset Café**

**Board meetings are third Monday at 7.**

---

A motion at the meeting Dec. 3rd was made and passed to have President Mark Bennett step down due to misappropriation of funds and repay the club \$1000. This stemmed from the fact that he paid a bill that the Board had voted to **not** pay until the Board could see the invoice. VP Larry Haywood took over the meeting and completed business.

Your Board of Directors are all volunteers and very conscientious about the use of club funds. The Board strives to make sure all bills are paid on time and that all spending is pre-approved.

**\*\*Starting January 1st Club dues will increase. Dues will double: Annual - \$80, Family - \$120, Full Life - \$1000, Senior/Disabled Life - \$500.**

Also, we will be capping the total membership at 1000, with 250 Life and 750 Annual. Once the cap is reached membership will be on a first come-first served basis. People on the Life waiting list must maintain a current annual club membership. **Life Cap has been reached as of Wednesday, Dec. 5th, 2018.**

There will be no pre-pay at the lower price for the 2019 annual dues. **Remember**, our annual memberships have always run from Jan. 1st through Dec. 31st. The 2019 membership dues will be due starting Jan. 1st.

**Orientation is MANDATORY for all** members, and guests. The Range Master will soon suspend orientations at the rifle range for the winter. The class will be provided before the monthly meetings, 1st Monday at 6 pm at

the Sunset Café. New or renewing members will not receive a membership card until the Secretary has the Orientation and Hold Harmless forms in her hands.

**Other News Bits:**

-Director Brad Coffey did some great work with an excavator - new backstops/pads for the 300 & 400 yard targets, extended the 150 yd berm, and built a parking pad and extended the berm at law enforcement area.

-There was a huge crowd at the meeting due to many members finally getting their orientation program done. The 50/50 pot was big and Mike Swords won half, again. The other half, to be drawn for at the banquet, is well over \$300.

-Due to the safety baffles tipping over in the soft ground, Doug, Larry, and Steve installed cables to hold them up for the winter. In the Spring we will dig around the posts and put concrete to stabilize them. Please be careful and don't trip over the cables.

- We have raffle tickets available. Check the website for more info: [www.cascadefieldandstream.com](http://www.cascadefieldandstream.com)  
Come to a meeting to buy tickets or send a check (\$5 each) to: CFS, PO Box 424, Cle Elum 98922

-We need some member volunteers to be on the banquet committee. There is a lot to do between now and Feb. 23rd. Step up and get involved, it's fun. Email me here or call 509-674-8653 to get on the committee.

Stay safe.
