News: Great turnout at the meeting last night with 34 members. Arnljot Wagsholm came to his first meeting and won the 50/50 drawing. He returned his winnings to the club. The other half of the 50/50 pot will be drawn at the banquet. It is nearing \$400. (*Not sure as our Treasurer, Rita, was out for surgery for a broken ankle). A get well card for Rita was circulated for signatures at the meeting.

Hunter Ed classes for 2018 at the Centennial Center:

June 18, 20, 22 and 24 and July 16, 18, 20 and 22

All registrations are done on-line at: wdfw.wa.gov/hunter-ed

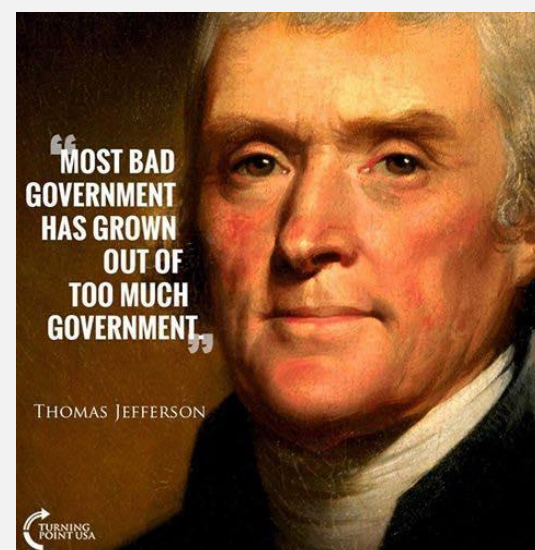

Range news: The new sliding doors on the pistol shed work great. VP Larry has installed rain covers for them. Due to the mild weather the ground is very soft. This will delay getting the rest of the safety baffle installed. The grant extension ends April 30th.

RSO Doug Sargent and crew are very near a final version of the orientation plan and hope to give a practice orientation at the March meeting.

The By Laws committee still has some work to do. A motion was made to have it ready for a vote by March 15th.

Nominations for Officers were opened. Nominations from the floor included: Pres - Mark Bennett, VP - Larry Haywood, Secy - Cindy Rogers, Treas - Rita Thurston. A director position will be open and Brad Coffey was nominated to fill that.

A range rental form has been sent to the Vulcan Co. and plans are being formed for their shot sound recording of various firearm calibers. This data will be fed to computers to train them to identify shots. Drones will be used for this effort to control poaching in Africa. Future applications may be used to help stop poaching everywhere. Vulcan is currently training the computers to visually identify different animals.

Mark reports that banquet donations are going well. Also, he has purchased some more firearms at the Cle Elum Farm & Home store. Max Keeton is passing along some nice savings for us. Mark purchased an AR-style rifle in .40 S&W for the auction.

- Still having brass left on the rifle shed floor and the gate left unlocked!!! Someone shot some plastic jugs and then left them in the trash can. Please pick up after yourselves and take your trash home. Also, please re-read the range rules - "paper targets, steel, or clay pigeons only".
