Officer Elections: New Officers were elected at the club meeting on Monday, Feb. 4, 2019, by a majority of the members present:

Pres. - Brad Coffey, VP - Larry Haywood,
Secy. - Cindy Rogers, Treas. - Ron Tidd and three year
Trustee - Rick Brzozowski. Doug Sargent remains as
appointed Range Master. New President Brad appointed
Clinton Vandeventer to fill his Trustee position for two years.

The By Law amendments were read again and then approved
by over 2/3 vote. Changes will be sent to State.

Doug Sargent provided another orientation program for
members waiting to receive their membership cards.

The annual 50/50 raffle was drawn with John Waldenmaier
winning the pot. Following a discussion it was agreed that the
winner need not be present. The names in the pot came from
attendance to meetings in 2018.

Committee sign-up sheets were put out again. Several
members signed up for the Fishing Derby. We are still looking
for some members to help with membership, raffle and
banquet committees. The trap/skeet range committee is
working toward some plans to present to the Board.

We hope to have the gambling license renewed very soon so
we can get back to selling tickets for the drawing on Feb. 23rd.
It was discussed that, without the banquet, the drawing could
be held at the rifle range on that date.
