Cascade Field & Stream Club officials have taken every precaution to ensure user safety during your visit to the facility and shall not be held liable for any act or omission outside its jurisdiction and control or directly related to negligence on the part of a customer. Steps taken by Cascade Field & Stream Club include the training of range officers, field operators, management staff, and customers of the facility.

Members and general public customers expressly agree to hold Cascade Field & Stream Club harmless for any acts or omissions on their part as it relates to:

- * Transportation of firearms to and from the facility and to certify that the method used to transport said firearms conforms to the laws of the State of Washington.
- * Handling of firearms.
- * Use of firearms while participating in live-fire events on any of the ranges.

Members and general public customers affirm that management has made every effort to instruct them (either through the use of signs or verbal instruction) on prevailing safety rules and regulations as a means of ensuring they have a safe, positive and enjoyable visit to the range.

Members and general public customers affirm that they are knowledgeable of the firearms and ammunition they will use while visiting the range and that they have received, read, understand, and will comply with posted and published rules and regulations as it relates to the use of said facilities, and/or that they have been informed that basic firearm education courses are available to any user who is unfamiliar with shooting as a recreational activity. Further, that failure to comply could result in their expulsion from the range and receive temporary and/or permanent loss of range privileges.

Members and general public customers expressly understand that Cascade Field & Stream Club management reserves the right to refuse access to any person(s) for any reason that might result in a safety violation, damage to the facilities, or who becomes a safety hazard, ie. they demonstrate unsafe firearm handling practices, a lack of proper training, their use of an unsafe firearm, they become loud, boisterous or disruptive, fail to wear the minimum foot wear (sandals), or any other act or omission that is contrary to established criteria, for operating a safe and efficient shooting range.

Members and general public customers do hereby affirm that they alone shall assume full responsibility for their own actions while visiting the Cascade Field & Stream Club range and that any injury sustained either by their act or omission ... directly or indirectly attributed to the lack of training, or careless acts shall be borne by themselves.

Members and general public customers do affirm that firearms they will use are free from material defects and function properly, to the best of their knowledge.

Members and general public customers affirm that the ammunition they will use in their firearms(s) has been properly loaded, either by a licensed manufacturer or, if the ammunition has been hand-loaded by themselves that it was done so by following established criteria as contained in leading reloading manuals; and further that said reloads meet or exceed factory specifications regarding safety. Further, that I understand that I **may not use** armor piercing, incendiary, or tracer ammunition and that, if I do, any damages resulting from such use may be billed to me; (ie. damage to range structures or surrounding wooded or grassland areas).

Nothing in this document shall be construed to mean that Cascade Field & Stream Club is absolved of its responsibilities and obligations to provide a safe, clean, properly designed, and professionally managed firearms shooting facility.
