Orientation and the monthly meeting were well attended Monday night. Secretary Cindy was out for the night and Brad and Eric handled the Secretarial duties. Thanks.

-The February 3rd club meeting will include voting for officers and the annual drawing for the 50/50 pot of \$335.

ORIENTATIONS continue on the First and third Wednesday and Saturday at 8 am on the rifle Range, and before the monthly Meeting, 6 pm, at the Sunset.

If you were at a meeting or work party in 2019 your name is in the hopper the number of times you attended.

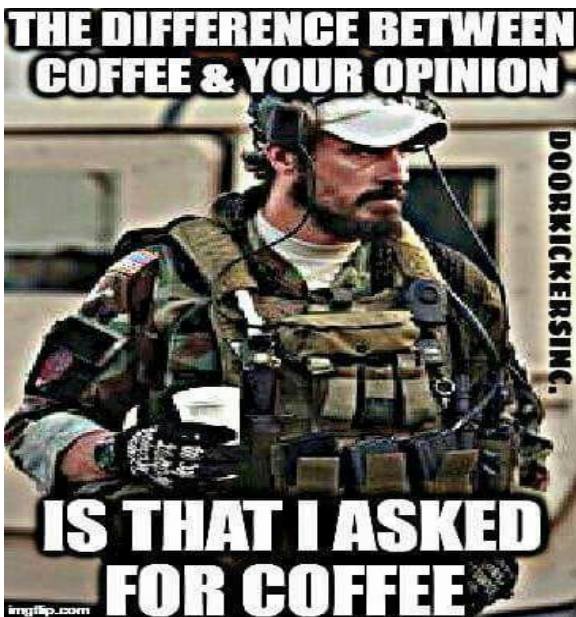

-New club member Suzen Shaw is with a group called "Off the streets & On the streams (OTS2), a 501©(3) non-profit and their mission is to "use fly fishing as a key component for in-classroom, in-the-field, and on-the-stream training, which assists at-risk youths and seniors to become positive contributing members of society....."

One of their projects is a proposed wheelchair accessible fishing dock at the Kiwanis Pond. Anyone interested in helping with this program can contact Suzen at: suzens@live.com Cell: 206-465-1105

-Keep in mind that Board meetings are open to all members and public.

-Our club is a 501©(7) non-profit. We have a lot of rules/laws that we must follow. If anyone wants to know more about non-profit rules go on-line and read about it. Some rules we must follow: Monthly newsletter to the members, sign-in sheet at meetings, and limited membership. As you know we capped our membership last year at 1000 - 250 life and 750 annual.

We have had a lot of "new" members sign up lately. If you have been a member and wish to remain so, please don't hesitate to renew. Our club has been discovered and is gaining in popularity, statewide.
