**General membership meetings are:**

**First Monday, 7 pm, Sunset Café**

**Board mtgs are third Monday at 6.**

Our new multi-purpose room/equipment storage, meeting & class room is finished, except for the overhead door and handles/locks. A huge shout-out for Randy Fischer and crew for getting it done early and way under budget.

Peter Schuetz has been appointed as our new Treasurer. Thanks for "volunteering", Peter.

Fishing Derby is this Saturday, June 8th, at Lavender Lake. The committee has received some great cash donations for prize purchases. Don Frey would like some help on Saturday - come out to the lake and have a cup of coffee and watch the fun.

Hunter Education classes are set for the weeks of June 17th and July 8th. Students must preregister via the Dept. of Fish & Wildlife website. The range is closed on the Sunday of each week (June 23 and July 14th) for the range day. The closure will be from 8 am to about 2 pm.

We asked for help with mowing/weed control. I got three responses and only one member, Mike Shea, came out with his tractor and mowed the main parts of the range. Thanks, Mike!! The Board discussed this and it was decided that we will have to hire someone to do weed control as required by the conditional use permit.

The Board is exploring whether to have a banquet next year. We had 5 people at the meeting volunteer to be on the committee. In the past we have netted between \$7000 and \$12,000 and that goes a long way toward some of the projects for the range. We are asking for anyone else interested in helping to get signed up and start having meetings. We need to decide on the raffle prizes

soon and get tickets printed. The banquet has always been the last Saturday of February. Always a good time.

Mark your calendars for June 23rd, Sunday. President Brad Coffey is planning a BBQ to celebrate the club building improvements and a ribbon cutting celebration for the completion of the State RCO Grant projects. Hopefully a dignitary from the Recreation and Conservation Office in Olympia can attend.

This will be a burgers and dogs type of feed and potluck. Last names beginning with A-J can bring a side dish, K-T a salad, and U-Z a dessert. All starts about 11 am.

This will be a fun event and, if the wind blows we will be inside the new building for a change.

Keep yer powder dry and the sun at yer back.

Steve Rogers, Editor (position still available).
