

CASCADE FIELD & STREAM CLUB NEWS

PO Box 424, Cle Elum, Wa. 98922 T: 509-674-8653

www.cascadefieldandstream.com

We had a great turn out for the meeting and an orientation class on Monday night at the Sunset Café. Lots of members come early and eat - great for the business for letting us meet there.

Life member, Greg Campbell, went up with his tractor and plowed out some parking spaces. Great Job!! There were 7 vehicles there for orientation this morning (Wed).

The annual raffle is back on as we now have a gambling license. The drawing has been rescheduled for April 1st, at the April meeting. **BUY TICKETS!** (See flyer below).

The trap/skeet committee has been busy working up plans with the help of Chris Cruse & Assoc. They are looking in to applying for a State Grant. The committee would like to hear from members about how much interest there is in trap and skeet and whether it is worth the effort. They are developing a survey via surveymonkey.com and I will pass that on soon.

Our new Treasurer and Techie, Ron Tidd is developing a google calendar for the website and hope to have that up soon.

The club has purchased a gun safe to keep the club-owned firearms and important papers in. Thanks to Grizzly Safe Co for the price break.

Think Spring....
Steve Rogers, Editor
