UPCOMING EVENTS:

General membership meetings are the first Monday, 7 pm, Sunset Café

Board meetings are third Monday at 7.

ATTENTION: Orientation is now a **requirement** for **all** members, and guests - That means **EVERYONE**. Programs given every Sat. and Wed. morning at 8 am at the rifle range. **We owe a huge thanks to Range Master Doug Sargent for his hard work and dedication on this project. THANKS DOUG! And Thanks to Doug and Larry for building the new rifle racks - beautiful!**

Someone has been shooting an **AK rifle with 7.62** ammo at the pistol range! Knock it off! Too much for the steel targets there. Remember, handguns and handgun cartridges only on the pistol range.

Other News Bits:

- Range Master Doug Sargent has installed First Aid kits in the shooting sheds. The Club purchased a Trauma Kit which is now installed in the cabinet in the rifle shed. This is for emergencies only - the lock combo is the gate combo.

-Great turnout at the meeting last night. The 50/50 pot was \$66 - \$33 won by Gary Brown. The members approved a motion to purchase more steel targets, especially for the 150 yard range. The generator project has been approved by the County and Pres. Mark has arranged for a contractor to drill under the road to move power to the rifle shed. Thanks to John Waldenmaier for his help getting the propane project finished.
